

Data Sheet

TE01 LED Track light

- Available in several wattages: 8W, 12.5W, 18.5W, 30W
- Quick and easy-to-connect parts for continuous installation
- Available with different connector modules
- Extended lifetime 50,000h
- 5-years warranty

Product Overview

Product name	Track Light
Technology	LED
Housing	Die Cast Aluminum
Mount	Track mount
Application	Indoor
Color temperature(k)	3000/4000k
Light source	LED Bridgelux
CRI(Ra)	90
Dimmable	NO
Beam angle	24°
Orientation	Adjustable
Average life (nominal) h	50000
Housing Color	White/ Black
IP rating	IP20
Voltage	AC 220-240V
Frequency	50/60Hz
Switching Cycles	150000
Displacement factor (Df)	0.9
Warranty	5 Years
Ambient temperture	-20-40°C
