Magnetic track light accessories

Track rails

04352001400

04352000700

04352001900

04352002000

Installation	Surface	Surface	Recessed	Recessed
Color	Black	Black	Black	Black
Body Material	Aluminium + 4 wires red copper			
Dimensions (mm)	1000*27.3*52.2	2000*27.3*52.2	1000*65.3*48.4	2000*65.3*48.4

**Note

All Track rails are DC48V

Surface track rails connectors

04352000800

04352001500

04352001600

Type	Right angle connector	Outer angle connector	Outer angle connector
Color	Black	Black	Black
Body Material	Aluminium + 4 wires red copper	Aluminium + 4 wires red copper	Aluminium + 4 wires red copper
Dimensions (mm)	95*95*52.2	95*95*52.2	95*95*52.2

Recessed track rails connectors

04352002100

04352002200

04352002300

04352002400

Type	Right angle connector	Outer angle connector	Inner angle connector	Triangle connector
Color	Black	Black	Black	Black
Body Material	Aluminium + 4 wires red copper			
Dimensions (mm)	95*95*48.4	95*95*48.4	95*95*48.4	95*95*48.4

Power connectors

04352001700

04352001300

Type	Main power connector	Corner power connector
Color	Black	Black
Body Material	Plastic	Plastic
Dimensions (mm)	390*18	190*18

Other accessories

04352000900

Connection strap for surface magnetic rails

04325001800

Recessed spring for 04352001400

04352001000

Suspension Kit

04352002500

Connection strap for recessed magnetic rails
